Lafont Paris – couture designer collection of both optical and sunglass frames. The Spring & Summer 2018 collection offers a chic and refined definition of Parisian elegance.

creation according to thomas lafont

"Lafont's style spans 40 years of creation, 40 years of Paris." according to Thomas Lafont, the House's Artistic Director.

Lafont's creative process is deeply influenced by Parisian style and stylistic independence. These influences are apparent in Lafont's exclusive use of colour, materials and artistic designs.

For the Lafont House each collection marks a new birth and tells a fresh story.

"Our process lies in perpetual renewal," Thomas Lafont emphasizes and describes: "Our collection is never stagnant and always seeks to meet our customers' expectations, while offering beautiful and comfortable eyewear."
